Scholarship Application

SYT is pleased to be able to offer a limited number of production scholarships. We believe that it is important that each family have some financial investment in their child's SYT experience, so everyone will be obligated to pay \$25 towards the cost of the program. Once this application and accompanying tax form is turned in to the SYT office, the applicant will be notified of the outcome by phone within three business days. The decisions of the scholarship committee are final.

In order to complete registration at that time, a mandatory, non-refundable \$35 registration fee will also be due. The remaining balance of the production fee may be paid immediately, or via the automatic withdrawal plan listed on the other side of this sheet. Scholarship applications must be complete before the first class.
